It's gonna be a big big big big big big night,
1 2 3 I got my boys and girls
We gonna party like it's the end of the world
Lets get it started (Hey!)
Started (Hey!)
Started (Hey!)
Whoa oh

Waitin' all week and it's Friday night
We're gonna get dressed up
For the time of our lives
Let's get it started (Hey!)
Started (Hey!)
Started (Hey!)
Whoa oh

'Cause I've been feeling down, down, down
I need a pick me up
Round round round
I wanna spin it up
Loud loud loud
DJ take me away

Oh oh
It's gonna be a big night
We're gonna have a good time
It's gonna be a big big big big big big night
Oh oh
It's gonna be a big night
We gonna have a good time
It's gonna be a big big big big big big night

It's been a long week working overtime
I need a heartbeat
To get this party right
I'm on another level
Turn up the base and trebel
Turn it up turn it up turn it up

Keep feeling down down down
I need a pick me up

Round round round
I wanna spin it up
Loud loud loud
DJ take me away

Oh
It's gonna be a big night
We're gonna have a good time
It's gonna be a big big big big big big night
Oh oh
It's gonna be a big night
We gonna have a good time
It's gonna be a big big big big big big night

1 2 3 I got my boys and girls
We gonna party like it's the end of the world
Let's get it started
