Oh oh oh

Oooh oh

[Refrain]

Tell me what you say, hey

Tell me what you say.

Bet you on my body you gon' have outday

Please don't make me wait, hey

I want you to take it,

Come on baby take it.

Tell me what you say, hey

Tell me what you say.

Bet you on my body you gon' have outday

Please don't make me wait, hey

I want you to take it,

Come on baby take it.

Baby, girl I wanna touch your body

I wanna take you closer to the stars.

But baby girl I want you know I'm not just anybody

But I can tell I'm the one you set to fall.

I like them girls

I f-ck one some metronome.

Take it to my right, she forever wanna sit right.

When I go in my lobby every morning

I swear I can feel your body calling,

Every girl I see to set from falling

Tell me girl, you ready for the morning?

[Refrain]

So, speaking to Jamaica

Cause she love off the base,

Nice as a princess move on?

I'll make you look pretty

You're off Chinese.

Spanian or Indian on Portuguese.

Sitting on?

Are you ready roll over

Tell this boy?

[Refrain]

Save your love for me  
Don't give it to nobody else.  
Cause you know I want you  
Keep it for myself.  
Baby girl you got me, oh  
Hooked on your love  
What the fuck is going on?  
And I'm about to call it.

[Refrain]
