Rocky Votolato - Fragments

Got a folder full of fragments  
Losing all acquaintances  
Losing your balance  
Over spikes, over trip wires  
You've got such obvious  
Stop putting limits on thoughts  
Limit all thinking

Egos running wild  
Monsters hiding behind  
The smoke ringed eyes  
The harder you fight the tide  
The less likely you'll survive  
The less likely you'll survive

There's a constant farewell  
To a new dream follow  
Unpolluted sorrow  
Document a scattered mind  
Where the waves fall  
Like the soldiers down on the shore  
Seaside ghosts now

Egos running wild  
Monsters hiding behind  
The smoke ringed eyes  
The harder you fight the tide  
The less likely you'll survive  
The less likely you'll survive

Egos running wild  
Monsters hiding behind  
The smoke ringed eyes  
The harder you fight the tide

Egos running wild  
Look at your rattle snake skin  
The smoke ringed eyes  
The harder you fight the tide

The less likely youll survive  
The less likely youll survive  
The less likely youll survive
