I woke up this morning wondering how I gotten here  
I pulled it together cuz I said I would yes I said I  
Will  
Now I'm on a pavement I pretend that I am one of them  
Am I only famous with my fancy house and the horse in  
My garden  
Wherever I go each moment away I'm missing you  
more  
Than I can say  
When I'm not at home I'm still in love with you  
Now brother I'm sorry when I'm out here I work very  
Hard  
And for your next birthday we'll throw fire display,  
Champagne parade  
See I don't deserve this not for the traumas I've put  
Us through  
I know I ain't perfect but I can assure you this  
I will make it up to you  
Wherever I go each moment away I'm missing you  
more  
Than I can say  
When I'm not at home I'm still in love with you  
Ohhh

Wherever I go each moment away I'm missing you  
more  
Than I can say  
When I'm not at home I'm still in love with you

~instrumental~

Wherever I go each moment away I'm missing you  
more  
Than I can say  
When I'm not at home I'm still in love with you  
Ohhh  
Wherever I go each moment away I'm missing you  
more and  
More each day  
When I'm not at home I'm still in love with you  
Ohhh

Wherever I go each moment away I'm missing you  
more  
Than I can say  
When I'm not at home I'm still in love with you  
Ohh  
They don't understand us not at all they don't  
Understand  
They don't understand us no they don't understand  
Now I woke up this morning and I'm wondering how I  
Gotten here  
Yes I'm wondering how I gotten here
