Ft. Snoop Dogg and T Pain

Get your money, whip ya hair
Executive branch blow my smoke like a player
Yeah in the club, yes it cracks
Cute little mama, but they stack with backs
Get your money, whip ya hair
Executive branch blow my smoke like a player
Yeah in the club, yes it cracks
Cute little mama, but they stack with backs
Get your money, whip ya hair
Executive branch blow my smoke like a player
Yeah in the club, yes it cracks
Cute little mama, but they stack with backs
Oh yeah and that's the perfect description
Next to rich see my picture and adiction
She used to never .. prescription

...

In hot pursuit, come rock with Snoop
Maybe it's the lawyer, her body's the truth

I'm in the game for real, it pay's to chill
I walk in the club and they front the bill
Cause they know the deal
I make it rain like candy
I am so for real i make it ...
Cut the .. stay on top of this ..
Chapaigne free
Yes you are, toasting up, posting up
And when we're done, we west coasting love
For shendo blowin' endo,
How much for the Dog in the window

Chorus

Got a pretty body i am so naughty
I do whatever i want
So much money they can see is funny
I do whatever i want
Baby I'm a Dogg! (I'm a Dogg!), beware! (beware!)
I'll do whatever, however I want! (I want!)
If you call me out! (call me out!), oh yeah! (oh yeah!)

Now put your hand in the air, whip your hair and go
La la la la la
Boom shakalaka when I drop all of my apples, say
La la la la la
Shawty know that I aint playing
I'm all about the money, the money I got
On the VIP tip, Maserati in the lot
Kill 'em with stars where the bottle never stops
Got a model on my lap, Baby show me wat you got
With a cup of landy, Tiffany and Sandy
Girls who like girls, wanna do it today
Real tough, this suites is next
One more drink gon' lead to sex
These girls is bad, the flow is pack
They shut the Dogg down when he reach the max
Whatcha trying to drink? Clearer yet
She got Apple Bottom, homie, all I need to do is mack

I does it well, your game is whack
I guess to the bit is no chit chat
Now where do we go? I beats the gush
She's in love with the gangster, that's what up

Chorus
Got a pretty body i am so naughty
I do whatever i want
So much money they can see is funny
I do whatever i want
Baby I'm a Dogg! (I'm a Dogg!), beware! (beware!)
I'll do whatever, however I want! (I want!)
If you call me out! (call me out!), oh yeah! (oh yeah!)
Now put your hand in the air, whip your hair and go
La la la la la
Boom shakalaka when I drop all of my apples, say
La la la la la
Shawty know that I aint playing

Is your girl Karina
And I hope you all can see
You can't stop here
Watch your girl take ,

Coke bottle shape like green eyes
Drunk offa love like a colt 45
I keep kush in my lungs
I'm gonna smoke til I die
Just bust a bad one for my homie D-Dimes
Boom!
They do it for fortune, some for fame
I got five different strains,
You ever taste purple rain

Turn up the volume, adjust the game
Ain't a damn thing change, it's still a G-Thang
Lil mama whip ya hair
Exhale the Chronic as the smoke disappears
I'm ready to ball
Your girl on my team, and she ready to fall
And if you didn't know, I'm the big Snoop Dogg

Chorus

Got a pretty body i am so naughty
I do whatever i want
So much money they can see is funny
I do whatever i want
Baby I'm a Dogg! (I'm a Dogg!), beware! (beware!)
I'll do whatever, however I want! (I want!)
If you call me out! (call me out!), oh yeah! (oh yeah!)
Now put your hand in the air, whip your hair and go
La la la la la
Boom shakalaka when I drop all of my apples, say
La la la la la
Shawty know that I aint playing
