DJ!  
She is a V.I.P  
It's time to clear the dance floor  
The divas coming through  
Turn the music volume high  
Let me show what I can do!  
Clear the dance floor  
The divas coming through  
Turn the music volume high  
Let me show what I can do!  
Grab the spot light and bring it over here  
I got dancing on my mind  
And I came here to make it clear  
I don't care what the haters have to say  
I'm gonna drop and make it hot  
While they drop and fade away

Bridge:  
I been waiting all night  
For the right song  
And the right time  
DJ can you save me?  
Will you play me  
Something new  
And make it hot?

Chorus:  
So I can work it  
Move my hips  
From side to side  
If I pucker up my lips  
Then you know you did it right  
Cause I'm the dance floor  
Dance floor diva got all eyes around the room  
Don't even blink you'll miss a move  
Hey YOU!  
Hold my purse,  
Push my cocktail  
To the side  
If I pucker up my lips  
Then you know

You did it right  
Cause I'm the Dance floor  
Dance floor diva got all eyes around the room  
Don't even blink  
You'll miss a move!  
Say yeah, yeah, yeah!

You're probably thinking  
What you see is Shallow and vain?  
But I can never get enough  
When the crowd screams out my name (Karina)  
Take a note or shoot with camera  
What you see?  
Often imitated, never duplicated  
Yeah that's me!  
Strike a pose,  
Fellow divas Do your walk for me  
Now walk for me!  
Now walk for me!  
Now walk for me!  
Now walk!  
I ain't come here for the fellas  
To be hawking me, don't talk to me  
Don't talk to me!  
Don't talk to me!  
Don't talk!  
Shut up!  
Come on, break it down!

Dance floor diva  
Djs can you hear me?  
Dance floor diva  
Djs I know you hear me  
Djs can you play me  
Can you play me  
On a daily  
I'm a dance floor, dance floor diva!  
Work it! Move my hands from side to side!  
Hold my purse, move my hands form side to side  
Work it! Move my hands from side to side!  
I'm a dance floor, dance floor diva!  
Work it! Move my hands from side to side!  
Work it! Move my hands from side to side!  
I'm a dance floor, dance floor diva!  
I'm a dance floor, dance floor diva!  
I been  
Waiting all night  
For the right song  
And the right time  
Now it's here!
