Heaven can wait  
And a band of angels wrapped up in my heart  
Will take me through the lonely night  
Through the cold of the day

And I know, I know—  
Heaven can wait  
And all the gods come down here just to sing for me  
And the melody's gonna make me fly  
Without pain, without fear

Give me all of your dreams and let me go along on  
your way  
Give me all of your prayers to sing and I'll  
Turn the night into the skylight of day

I got a taste of paradise  
I'm never gonna let it slip away  
I got a taste of paradise  
That's all I really need to make me stay—  
Just like a child again:

Heaven can wait  
And all I got it's time until the end of time  
I won't look back  
I won't look back  
Let the alters shine

And I know that I been released but I don't know to  
where  
Nobody's gonna tell me now and I don't really care

No, no, no—  
I got a taste of paradise  
That's all I really need to make me stay  
I got a taste of paradise  
If I had it any sooner you know  
I never would have run away—  
from my home

Heaven can wait  
And all I got it's time until the end of time  
I won't look back

I won't look back  
Let the alters shine

Ooh, heaven can wait  
I won't look back  
I won't look back  
Let the alters shine  
Let the alters shine
