You gonna roll with me, with me, with me
Baby, take it easy, take it easy
Baby, take it easy, take it easy
Cause I know, that you know, that it ain't my fault!

Kicks up, mic check oh those black eyes, got it all
Me and my squad we be walking walking down the hall
Said my girl getting high rollers every on deck
This is how we do it, is everything
Can't bring a girl if you wanna join the troupes here
I caught her out looking like she wanna do me
Homie, hold your girl, cause she might end up in my suite!

Chorus:

Take it easy, take it easy
Baby, take it easy, take it easy
Cause I know, that you know, that it ain't my fault!
Take it easy, take it easy
Baby, take it easy, take it easy
Cause I know, that you know, that it ain't my fault!

A Maserati shined-up shades on
Gucci down, head to toe, tear it up
Gotta stay fresh always on the new, new
Girl, could you imagine all the things that I could do to you?
I could do so many things to you, oh, oh
Girl, you know it ain't my fault!

Chorus:

Baby, take it easy, take it easy
Baby, take it easy, take it easy
Cause I know, that you know, that it ain't my fault!
Baby, take it easy, take it easy
Baby, take it easy, take it easy
Cause I know, that you know, that it ain't my fault!

So player don't be mad, player get the money up
Don't get mad, need to step the game up
You don't be mad, nigger take the money up
Come on! Don't be mad, need to step the game up!
So player don't be mad, player get the money up
Don't get mad, need to step the game up

Chorus:

Baby, take it easy, take it easy
Baby, take it easy, take it easy
Cause I know, that you know, that it ain't my fault!
Baby, take it easy, take it easy
Baby, take it easy, take it easy
(It ain't my fault, it ain't my fault, it ain't my fault)
Cause I know, that you know, that it ain't my fault!

I could really give your girl what she needs
It ain't my fault, it ain't my fault, it ain't my fault!
