Do I have to say a thousand words
Just to prove to you all my love
That I'm truly yours

Do I have to walk with you down the aisle
Just to prove that I am worthy of your smile
Do I have to be somebody and pretend
Do I have to own my princess tell me when
Do I have to wait a little while
Oh you let me wait the rest of my life

Do I have to walk with you down the aisle
Oh do I have to walk away without your smile(smile)

My beautiful princess of disguise
Why do you let me sacrifice
Princess of disguise tell me why

My beautiful princess of disguise
Why do you let me sacrifice
Princess of disguise tell me why

(Instrumental)

Do I have to walk with you down the aisle
Oh do I have to walk away without your smile

Nanana..Nanana..

Why do you let me sacrifice
Princess of disguise tell me why(oh why)

My beautiful princess of disguise
Why do you let me sacrifice
Princess of disguise tell me why(oh why)

Tell me why, oh why..
