Madison Gale country flower is pooh de pooh
freshener, that's what it is.
Look it smells like a country flower!!
Who wants to eat a country flower?
Make a flavor we like chicken, beef bullion, anything.
Give me a reason to take my hat off and go down
there.
I feel like chicken tonight, chicken tonight

I had three sisters growin' up there was shit in that
bathtub I didn't know what it was untill i was 25 years
old.
Momma had that big water bottle thing hangin off in
there.
To me that was just a really neat squirt gun.
I was in there tryin' to blow it up, bmmmmmp
You can't blow that sum bitch up either you'll bust a
blood vessel out your head
Don't suck on it, ewwww
Momma said get that outta your mouth do you know
where that's been?!?!
She just wants to kill ya cause she thinks she's raisin a
fuckin' heathen.
Daddy's laughin' his ass off 'cause he's in there 3
hours earlier doin the same damn thing
He didn't know what it was either
He's in the front yard waterin' the plants with that sum
bitch
You don't see those anymore
The days of the water bottle are gone
Women now days are just naturally fresh
They figured out soap works!

I married a woman that got's a identical twin sister
And uh they look just a like
Naturally my wife is well i mean she's... I married way
over my fuckin' head.
She's gorgeous
If she walked in here right now you'd be like
fmmmmmmmp what the fuck howd you get her?
Personality, that's all i had!

But I'll tell you this you marry a twin you date a twin you
fuck one you pretty much wanna fuck the other
Call me crazy
Now here's some real good advice
Don't ever bring that up!
That was a shitty Christmas I got news for ya.

I aint never planned to get married
Men never plan to get married women do!
I'm gonna get married I'm gonna have a big house and
he's gonna work and I'm not.
Dream on hooker, dream the fuck on.
You wanna know why a man gets married I'll tell ya why
a man gets married.
A man gets married because he's been in a
relationship for so long that he just fuckin' gives up.
Alright I'll marry ya.
You happy?
Oh yeah hahahaha
Then comes the planning of the weddin'
And everyday is an event to her
What do you think about the napkins and the sign in
book and my dress and my panties and blah blah blah
fuckin' blah
I don't give a shit just make sure there's beer and
whiskey when the shit's over with
Cause I'll tell ya somethin' boys at this point and time
you don't even no how bad you screwed up.
You just know there's a big event coming up and
someone you're involved.
Then comes the day of the weddin'.
Yer dressed up and she's dressed up
No turnin' back now is there hmmm nmmmm.
Everybody shakin' your hand takin' your picture
congratulations
You just won a seat in the fuckin' senate for all you know
Yer clueless cooo cooo cooo cooo cooo
Afterwards yer at the reception drinkin' beer with your
buddies oblivious to what the fuck you just did
Wooooooooooooo you sum bitch ya did it you got married
you bastard
Then everybody just leaves
What the hey! Wwwwait where you all goin'
Now don't you just leave me here.
Oh shit!
