It started out summer fun, chasin' Allie Brook with a  
water gun  
She'd laugh and she'd scream  
She'd run and say, "You can't catch me"

Well, time passed I turned sixteen  
Cruisin' from the Sonic to the Dairy Queen, yeah  
Runnin' the roads we ruled like kings

We'd say hey, here comes Allie with her hot friends  
Oh, they got water balloons in their hands  
Oh man they got me, now let's get them

Chasin' girls, what a life  
Man I love them, can't get enough of them  
From their toes up to their curls

Chasin' girls, hard to catch, sweet to hold  
Even tougher to let them go  
Ain't nothin' like it in the whole wide world  
Chasin' girls

Caught Allie Brook and that was that  
Bought a bungalow on a culdasic, yeah  
Settled in and I knew my girl chasin' days were through

Until she handed me an EPT  
I said tell me what this blue strip means  
And that was then and now our twins are three

And it's who left the Popsicle on the couch  
Don't let that dog lick it in the mouth  
Up and down all around this house  
I'm right back to where I started out

Chasin' girls, what a life  
Man I love them, can't get enough of them  
From their toes up to their curls

Chasin' girls, hard to catch, sweet to hold  
Even tougher to let them go  
Ain't nothin' like it in the whole wide world

## Chasin' girls

Last night I had a nightmare the future was now here  
My little girls were in their teens  
And then these teenage boys appeared, oh no, yeah

Chasing girl', hard to catch, sweet to hold  
Even tougher to let them go  
Ain't nothin' like it in the whole wide world  
Chasin' girls, chasin' girls
