It started out summer fun  
Chasin' Ally Brooke with a water gun  
She'd laugh and she'd scream  
She'd run and say you can't catch me

Well time passed I turned sixteen  
Crusin' from the Sonic to the Dairy Queen  
Runnin' the roads we ruled like kings

We'd say, well here comes Ally with her hot friends  
They got water balloons in their hands  
Oh man they got me now let's get them

(Chorus)  
Chasin' girls, what a life  
Man I love them can't get enough of them  
From their toes up to their curls

Chasin' girls, hard to catch  
Sweet to hold, even tougher to let them go  
Nothin' like it in the whole wide world  
Chasin' girls

Caught Ally Brooke, and that was that  
Bought a home below on a culdesac  
Settled in, and I knew that my girl chasin' day were  
through

Until she handed me the EPT  
I said tell me what this blue strip means  
That was then, and now our twins are three

And it's who left the popsicle on the couch  
Don't let that dog lick it in the mouth  
Up and down all around this house  
I'm right back to where I started out

(Chorus)  
Chasin' girls, what a life  
Man I love them can't get enough of them  
From their toes up to their curls

Chasin' girls, hard to catch  
Sweet to hold, even tougher to let them go  
Nothin' like it in the whole wide world  
Chasin' girls

Last night I had a nightmare  
The future was now here  
My little girls were teens  
And then these teenage boys appeared

Oh no  
Yeah

(Chorus)  
Chasin' girls, hard to catch  
Sweet to hold, even tougher to let them go  
Nothin' like it in the whole wide world  
Chasin' girls

Chasin' girls  
Oh  
Whoo
