He said "Just think it over and write me a list  
so we can figure out what we both deserve"  
she hardly could believe it  
that their love had come to this  
dividing and deciding his and hers  
but she grabbed a paper napkin  
asked the waitress for a pen  
and one by one she wrote down  
what she wanted most from him

honesty, sincerity, tenderness and trust,  
a little less time for the rest of the world  
and more for the two of us  
kisses each mornin'  
i loves you's at night  
just like it used to be  
the way life was  
when you were in love with me

she reached across the table  
and placed it in his hand  
and said "you know this isnt easy for me"  
as he thought about the new car the house and the  
land  
and wondered what that bottom line would be  
and a thousand other things  
that she'd want him to leave behind  
but he never dreamed he'd open up that napkin and  
find

honesty, sincerity, tenderness and trust,  
a littleless time for the rest of the world  
and more for the two of us  
kisses each mornin'  
i loves you's at night  
just like it used to be  
the way life was  
when you were in love with me

well he fought back the tears,  
as he looked in her eyes

and said "i dont know where to start"  
and she said "everything on that list in your hand  
is written somewhere in your heart"

honesty, sincerity,  
just like it used to be  
the way life was  
when you were in love with me
