This morning is Monday  
Where are you now  
Teasing my memory  
Teaching me how to lay low  
When I don't want to

Your love is elusive  
This I know now  
It's making me crazy  
Leaving me out in the open  
When I don't want to

I don't know why  
You do that to me

The moments of pleasures  
Never do last  
Are gone like a suitcase  
Full of your past  
Long gone and in a hurry

(CHORUS)

Baby, I can't go through this again  
I don't need to go down  
More then I've already been  
Just like a wild fire  
You're running all over town  
As much as you burn me, baby  
I should be ashes by now

The second street beggars  
Alone in they life  
Drunk on a sidewalk  
To hide from the night like I am  
They're just like I am

(CHORUS)

Just like a wild fire  
You're running all over town  
As much as you burn me, baby

I should be ashes by now

Aah, aah

Should be ashes by now

Aah, aah
