Alright yall,  
Whenever i go WEHOO! I want yall to say sing you  
bastard  
WEHOO!  
(crowd)Sing you Bastard

She had a gap between her two front teeth that you  
could drive a truck through(beep, beep),  
wreked like a trashcan dumpster that would kill you,  
she drove a 1973 Chevy Blazer,  
and her legs and her armpits never seen a razor,  
she had curlers in her hair, window rolled down had a  
dip of snuff spit on the ground,  
drunk as I was that woman looked good to me  
oh yeah!

WEHOO!  
(Crowd & Rodney)Sing you bastard  
Now I got This Burnin' sensation when I pee,  
when i'm standin' in a public bathroom, people stop  
take a look at me,  
everybody,  
I've got this burnin' sensation when I pee,  
come on now let's hold hands and sing it,  
come on,  
grab your partner's hands look real lovingly in their  
eyes and sing it like this,  
I got this burnin' sensation when I pee,  
o hey hey  
I got a damn good feelin' your the one who gave it to  
me,  
I got creepy clawly crabs crawlin' all over me,  
them itchy little bastards you just can't get 'em to  
leave,
