Another year has come and gone  
And I'm still here  
Holdin' on  
To this riffle and  
A picture of my kids  
Sayin' it's a holiday  
Sure as him don't feel that way  
Don't think Jesus meant for it to feel like this

[Chorus]

A paper star on a plastic tree  
Cotton Snow in a manger scene  
Do the best we can to make it feel like home  
Turkey Dinner on paper plates  
Sargent bows his head to pray  
BoomBox playin' Silent Night  
Camouflage and Christmas Lights

They're probably up on the hill by now  
Bottled up, and sleddin' down  
Catchin' snowflakes on the edge of their tongues  
Standin' up at the top would be  
The prettiest girl I've ever seen  
Whispering a quiet prayer for all of us

[Chorus]

A paper star on a plastic tree  
Cotton Snow in a manger scene

Do the best we can to make it feel like home  
Turkey Dinner on paper plates  
Sargent bows his head to pray  
BoomBox playin' Silent Night  
Camouflage and Christmas Lights

Some say I'm a hero  
But I'm just a dad  
Just tryin' to protect the most precious thing I have  
Someday I'll be home again  
And our world will be right  
But for tonight

[Chorus]

A paper star on a plastic tree  
Cotton Snow in a manger scene  
Do the best we can to make it feel like home  
Turkey Dinner on paper plates  
Sargent bows his head to pray  
BoomBox playin' Silent Night  
Camouflage and Christmas Lights

Thank God it's a silent night  
Camouflage and Christmas Lights:)
