Good evening, your dream is here for I am Carlos  
You think I'm sexy and your right,  
come a little closer I wont bite.  
I see the love that's in your eyes,  
between my legs you'll find a prize.  
For I am what your dreaming of,  
I am Carlos man of love.  
Around the world they call my name, there is only one  
of me what a shame.  
We will roll around in the grass,  
you naughty girl you grabbed my ass.  
I am what your dreaming of,  
I am Carlos man of love.  
You look so nice your so pretty.  
Of course you wont mind I touch your titty.  
Spread your legs for I am here,  
I make my wiener disappear.  
I am what your dreaming of,  
I am Carlos man of love.  
Feel free to go a head,  
touch me right there,  
look at my crotch,  
look at my crotch and  
feel the heat off your eyes touching my crotch.  
I am what your dreaming of,  
I am Carlos man of love.
