I could she'd my skin and in the blink of an eye I could
fly fly fly
Tie my dreams up in a sack and lay my head down on
the track and die die die
My life's been so sweet I just can't stand it
I must admit I've made out like a bandit

Last night's conversation with a real good friend of
mine drinkin wine
Wine wine
Said fifty years of livin and your worst mistakes
forgiven it just takes time
Time time
One man's lust for life brings world renown
And the next guy can't get two feet off the ground.....
he's earthbound

(Earthbound)....hear the wind through the tops of the
trees
(Earthbound)....summer sun nearly ninety degrees
(Earthbound)....big ol' moon sinking down..... think I
might stick
Around
I'm EARTHBOUND

I knew love once way back when she had almond eyes
and olive skin
And long black hair
She was Irish Spanish mix breed I was southeast Texas
hayseed
We were almost there
Her daddy did not like my kind around
My true love took the next train out of
town.....earthbound

(Earthbound)....where there's fathers and daughters in
pain
(Earthbound)....mama's boy walking home in the rain
(Earthbound)....like a ship run aground I think I might
stick around
I'm EARTHBOUND

With each new day that passes I'm in need of thicker
glasses but it's
All O K
Someday I'll be leaving but I just can't help believing
that it's not
Today
Every golden moment I have found
I've done my best to run right in the
ground.....earthbound

(Earthbound)....see the sky big and beautiful blue
(Earthbound)....fallen angels come callin' for you
(Earthbound....keepin' close to the ground think I might
stick around

(Earthbound)....Tom Waits, Aretha Franklin, Mary Karr
(Earthbound)....Walter Cronkite, Seamus Heaney, Ringo
Starr
(Earthbound)â€¦.Dalai Lama, Charlie Brown make me
wanna stick around
I'm EARTHBOUND
