Do you wanna do something that rhymes with truck
Do you wanna do something that rhymes with duck
You wanna do something that rhymes with my best
friend, his name is Chuck
Do you wanna do something that rhymes with truck

Do you wanna sit on something that rhymes with stick
Do you wanna sit on something that rhymes with brick
Do you wanna sit on something that rhymes with my old
horse
his name is Flick
Do you wanna sit on something that rhymes with stick

Oh if you don't want to
I completely understand
Oh it's plain to see
I'll never be
Never be your man
But I'll go home all alone
and climb up in my loft
and I'll do something that rhymes with jackin' off
There is nothing that rhymes
with jackin' off
