Ladies and Gentlemen,  
The Man Song!

(He's the man!)  
(He's the man!)

I don't take no crap from anybody  
[else but you]  
I wear the pants around here  
[when I finish with your laundry]  
Coz I'm a guy you don't wanna fight  
[When I say "Jump", you say "Yeah right!"]  
I'm the man of this house  
[until you get home]

(He's the man!)  
(He's the man!)

What I say goes around here  
[right out the window]  
and I don't wanna hear a lot of whining  
[so I'll shut up]  
The sooner you learn who's Boss around here  
[The sooner you can give me my orders, dear]  
Coz I'm Head-Honcho around here  
[but it's all in my head]

(He's the man!)  
(He's the man!)

And I can have sex anytime  
[that you want it]  
Coz I'm a man who has needs  
[but there not that important]  
And don't expect any flowers from me  
[Coz if I'm not mistaken you prefer jewelry]  
I'm the King of my castle  
[when you're not around]

(He's the man!)  
(He's the man!)

And I'll drink and watch sports whenever I wanna  
[get in trouble]  
And I'll come home when I'm good and ready  
[to sleep on the couch]  
Coz a man's gotta do what a man's gotta do  
[And I'm gonna do what you tell me to]  
Because I'm Top dog around here  
[but I've been neutered]

(He's the man!)

(He's the man!)

(You the man!)
