Titties and beer
(titties and beer)
Titties and beer
(titties and beer)
I thank god almighty for titties and beer
(big titties and beer)
Huntin' two legged deer
(titties and beer)
Thank god I ain't queer
(titties and beer)
There's one thing daddy likes and thats titties and beer
(big ol' titties and beer)
unison:
A little titties and beer
Great big titties and my beer
God damn it I love those motherfuckin' titties.....

That ain't the song but it is now.
We would love to do that for your wedding if you would
have us.
