I can't win, I can't reign
I will never win this game without you, without you
I am lost, I am vain,
I will never be the same without you, without you
I Won't run, I won't Fly,
I will never make it by without you, without you
I can't rest, I can't fight
All i need is you and I, without you

Without,.

You! You! You! You!
You! You! You! You!

Can't erase, so I'll take blame
But I can't accept that we were estranged without you,
without you
I can't quit now, this can't be right
I can't take one more sleepless night without you,
without you
I won't soar, I won't climb
If you're not here I'm paralyzed, without you, without
you
I can't look, I'm so blind
I Lost my heart, I lost my mind without you,

Without,.

You! You! You! You!
You! You! You! You!

I am lost, I am vain
I will never be the same, without you, without you

Without you
