Do I need to tell you?  
I don't need to be untrue  
Not when I have a lover like you.

Now it don't take that much thought  
Not with all the love you've got  
And you give it to me free  
Some might take that for granted but certainly not me  
No not when I have a lover like you

I haven't eyes for anyone else  
I'm thinking of you and nobody else  
I haven't eyes for anyone else but you  
yoooooooo....

She may be all on my case  
Want to kiss me on my face  
Put my hands on her waist  
Take me back to her place  
I would happily follow  
but not when I have a lover like you.

I haven't eyes for anyone else  
I'm thinking of you and nobody else  
I haven't eyes for anyone else but you  
But yoooooooo....  
But yoooooooo....  
But yoooooooo....  
But yoooooooo....
