The whipping of the flag above

it sung me to sleep

and I awoke to feel her hair

dancing on my cheek

I awoke with the crazy feeling

that I was where I belong

and the sun warmed a remembered love

in my head I heard this song

Dont leave, youve finaly made it home  
aint this the girl that you wanted all along  
I know it hurts to think about  
everything that went wrong  
but I think its over now

And I cant believe how her hands  
still fit perfectly in mine  
if I dont take my chances now  
Ill be searching all my life

Trying to find the feelings that I knew  
with this lovley country girl  
if those plans are just a young mans mistake  
why am I still so set on her

Dont leave, youve finaly made it home  
aint this the girl that you wanted all along  
I know it hurts to think about  
everything that went wrong  
but I think its over now

And more than ever, now I hear  
that sweet old voice inside my ear  
it says

Dont leave, youve finally made it home  
aint this the girl that you wanted all along  
I know it hurts to think about  
everything that went wrong  
but I think its over now  
Her hair is still soft and sweet  
her eyes still green, her heart still beats  
for you and for the lord above  
be done with the pain and get on  
with the love
