There's a darkness upon me that's flooded in light  
In the fine print they tell me what's wrong and what's  
right

And it comes in black and it comes in white  
And I'm frightened by those who don't see it

When nothing is old, deserved or expected  
And your life doesn't change by the man that's elected  
If you're loved by someone you're never rejected  
Decide what to be and go be it.

There was a dream  
One day I could see it  
Like a bird in a cage a broke in and demanded that  
somebody free it  
And there was a kid, with a head full of doubt  
So I scream till I die and the last of those bad thoughts  
are finally out

There's a darkness upon you that's flooded in light  
In the fine print they tell you what's wrong and what's  
right  
And it flies by day and it flies by night  
And I'm frightened by those who don't see it
