Hello there, the angel from my nightmare  
The shadow in the background of the morgue  
The unsuspecting victim of darkness in the valley  
We can live like Jack and Sally if we want  
Where you can always find me  
We'll have Halloween on Christmas  
And in the night we'll wish this never ends  
We'll wish this never ends

(I miss you, I miss you)  
(I miss you, I miss you)

Where are you and I'm so sorry  
I cannot sleep I cannot dream tonight  
I need somebody and always  
This sick strange darkness  
Comes creeping on so haunting every time  
And as I stared I counted  
Webs from all the spiders  
Catching things and eating their insides  
Like indecision to call you  
And hear your voice of treason  
Will you come home and stop this pain tonight  
Stop this pain tonight

Don't waste your time on me you're already  
The voice inside my head (I miss you, I miss you)  
Don't waste your time on me you're already  
The voice inside my head (I miss you, I miss you)  
[X3]

(I miss you, I miss you) [x4]
