Shut your mouth x2

I'm bored, got my chin on my hand  
I've heard it all again and again  
If it was Monday I could understand  
But it's Saturday, so I don't care

Someone take me away, I can't take no more  
'Cause he's such a boy, going on and on...

Shut your mouth  
'Cause I'm falling asleep  
Shut your mouth  
I'm falling on my seat  
All you do is talk, talk, talk too much  
You don't know when to shut up  
Shut your mouth

Every word gets lost in the head  
You ain't gonna take me into your bed  
Here's a tip, zip your lip  
Will someone take me away  
I can't take no more  
'Cause he's such a boy, going on and onâ€¦

Shut your mouth  
'Cause I'm falling asleep  
Shut your mouth

All you do is talk, talk, talk too much  
You don't know when to shut up  
Hey, Hey , Hey â€¦

You can't be soft, were now face to face  
Too much in for on a Saturday  
All you do is talk, talk, talk too much  
You don't know when to shut up  
Hey, Hey, Hey â€¦  
Woohoo  
Shut your mouth.  
Heeeeyyy

When I see the crowd  
Jumping up and down  
And I'm here, listening to you  
Your blabber mouth, it all comes rolling out  
It just keeps going on, and on x15  
Shut up!  
Shut your mouth  
Shut up  
Shut your mouth  
Hey, Hey, Hey!  
Shut your mouth.  
'Cause I'm falling asleep  
Shut Your mouth  
I'm falling trough  
All you do is talk, talk, talk too much  
You don't know when to shut up  
Yeah, yeah, yeah  
Hey, Hey, Hey
