I don't know where we went wrong  
I do not remember  
But I don't want to waste no time  
Explaining shit to you  
I think I'm done  
But now I realize  
That you're not the one  
No

I don't feel like coming home  
I be missing dinner  
I sit up in my car  
For 30 minutes before I do  
Girl I'm done  
My mind is all made up  
That you are not the on  
No,no, no, no

I cant sleep  
I toss and turn  
When I lay right next to you  
Cause I can't deal  
With the disrespectful things you like to do, yeah

See everyday we arguing  
And I don't have the tolerance  
And I don't have the patience to  
Do this no more

[Chorus]  
I cant stand you (Biaaatch)  
Girl you make it hard to stay  
You make it hard to stay  
I cant stand you (biatch)  
Girl I gotta walk away  
I gotta walk away

Baby  
Whats wrong with you  
I'm tired what we going through  
Nag about everything I do  
But you don't understand that I do this for you

So you can do all the things that you wanna do (So you  
can do the things that you wanna Do, hey nah,  
ahhhhaaaa)

Everyday I try to make this perfect  
But I realize this shit aint worth it now now  
I walk around like everything is fine  
But I know that its a waste of time

Dealing with you  
Baby we through (oh)

[Chorus]

I can't stand you (biatch)  
Girl you make it hard to stay (you make it hard)  
You make it hard to stay (to stay with you)  
I can't stand you (biatch) (I can't stand you, no)  
Girl I gotta walk away  
I gotta walk away (wooh)  
I cant stand you you (I can't, I can't stand)  
Make it hard to stay  
You make it hard to stay  
I cant stand you (ooh)(biatch)  
Girl, I gotta walk away  
I gotta walk away

So Baby I'm sorry  
I'm sorry baby I cant take no more  
I grab my bags and now I'm out the door (grabbin my  
bags)  
Its over, it's over (it's over)  
Its over, it's over (it's over)  
Its over, it's over now  
Its over for me

[Chorus]

I cant stand you (biatch)  
Girl you make it hard to stay (said you're makin it hard)  
You make it hard to stay (hard for me)  
I cant stand you (biatch)  
Girl, I gotta way away
