Who put the little baby swastikkka on the wall

Who put the little baby swastikkka on the wall

It wasn't very high couldna been more than four years
old

That's who put the little baby swastikkka on the wall

Who put the little baby swastikkka on the wall

Who put the little baby swastikkka on the wall

It wasn't very high couldna been more than four years
old

That's who put the little baby swastikkka on the wall

Who put the little baby nigga-head on the wall

Who put the little baby nigga-head on the wall

The eyes were so big couldna been more than baby
scrawls

That's who put the little baby nigga-head on the wall

You rope them in young

You rope them in young

So small, so innocent, so young

So delicately done, grown up in your poison

Who put the little baby swastikkka on the wall

Who put the little baby swastikkka on the wall

It wasn't very high couldna been more than four years
old

That's who put the little baby swastikkka on the wall

Who put the little baby K's up on the wall

Who put the little baby K's up on the wall

They got em in a line I bet they wished they coulda
sprayed up more

That's who put der litle baby K's on the wall

You rope them in young

So small, so innocent, so young

So delicately done, grown up in your poison
