When all is said and done  
As the season slips away  
When I've taken steps beyond my sight  
Will I find my strength in greater light  
Will my courage grow with every passing day  
And will my faith be constant as the setting sun  
When all is said and done

When all is said and done  
And the years have turned to gold  
Will my life become a legacy  
Of the things that matter most to me  
Will the fire of faith grow bright inside me  
And will I want to be the person I've become  
When all is said and done

When all is said and done  
When my eyes can finally see  
Will I glory in the sweet release  
And will mercy fill my soul with peace  
Will I kneel and wonder at the savior's feet  
Will I hear him say, 'well done'  
When he sees who I've become  
Will I live with him  
When all is said and done
