You'd better be strong...

It's like a retroactive  
Burning inside of me  
It's like a nitroactive  
To what I used to be

You'd better be strong...

And there's no turning back  
You'd better run fast  
If you don't get it wrong  
You'd better be strong...

It's like a retroactive  
Burning inside of me  
It's like a nitroactive  
To what I used to be

You'd better be strong...

And there's no turning back  
You'd better run fast  
If you don't get it wrong  
You'd better be strong...

It's like a retroactive  
Burning inside of me  
It's like a nitroactive  
To what I used to be
