(ron wood/rod stewart/ronnie lane)It's hard to believe
that this is the placeWhere we were so happy all our
livesNow so empty inside and feeling no painWaiting
for a hammer and a big ball and chainThey can tear it
all down and build something newBut only I remember
what was hereTomorrow comes easy just another day
goneHow long will I have to keep returningNow I look
back think I've known all the timeI've been finding
myself for so longAll the vows that we madeCount for
old bags of lumberDisappear on the cart down the road
