(oscar hammerstein ii and jerome kern)Old man river,  
that old man river,He don?t say nothin?, but he must  
know somethin?That old man river, he just keeps  
rolling along.He don?t plant tater?s,And we all know he  
don?t pick cotton.But them that plant ?em, are soon  
forgotten, thatOld man river, he just keeps rolling  
along, oh yes he does.You and me, we sweat and  
toil,Our bodies all achin? and racked with pain, now  
listen!Lift that bar, you?d better, tote that bail,And if  
ya? get a little drunk,You?ll land in jail.I?m so weary,  
and sick of tryin?,I?m tired of livin?, but afraid of  
dyin?.That, that god-darn? old river, he just keeps  
rolling along.Keep on rollin? along.Keep on rollin?  
along.Old man river don?t you stop your way.Keep on  
runnin? from the north, the south, the east or west,You  
gotta roll it ...
