It's like the other day  
now that is what i was sayin  
ever since i could explain  
there has been no one but you  
u pass by owe so fast  
don't move at all  
owe so very fast

so hear so that  
so that u heard that  
cause i'm looking onward  
from u so far  
cause i heard that it's just that  
i'm looking onward  
and i'm driven so  
much further than tomorrow

go so simply go now what u heard now  
cause i just won't get too much  
now leave it at that now  
is that now just a fact now  
is it just that is it just that  
now that there is nothing more  
just that your only one  
i like that look one's got  
i decided to change it  
so come and see just what u  
took from me  
cause my heart cannot explain this  
just what

cause i already heard that u tried  
to stop the future from becoming  
so real for u already  
this is a fight for my life over here  
that i heard i couldn't do much with
