There's a man who leads a life of danger
To everyone he meets he stays a stranger
With every move he makes another chance he takes
Odds are he won't live to see tomorrow

Secret agent man, secret agent man
They've given you a number and taken they away your
name

Beware of pretty faces that you find
A pretty face can hide an evil mind
So let the wrong word slip while kissing persuasive lips
Odds are you won't live to see tomorrow

Secret agent man, secret agent man
They've given you a number and taken they away your
name

Secret agent man, secret agent man
They've given you a number and taken they away your
name

Swingin' on the Riviera one day
And layin' in the Bombay Alley the next day
Be careful what you say or you'll give yourself away
Odds are you won't live to see tomorrow

Secret agent man, secret agent man
They've given you a number and taken they away your
name

Secret agent man
