I know your noise is real  
Seduce me  
I become more than I was meant to be  
It will grow on me forever  
It's changing me

When I turn the speakers on  
Might as well be on my own  
But I know I'll never be  
When the speakers speak to me

When I turn the speakers on  
Never wanna let it go  
'Cause I know I love it so  
When I turn the speakers on

I turn the speakers on  
The speakers speak to me

I turn the speakers on  
The speakers speak to me

I turn the speakers on  
The speakers speak to me

The speakers speak to me  
When I turn the speakers on

I know your noise is real  
Seduce me  
I become more than I was meant to be  
It will grow on me forever  
It's changing me

When I turn the speakers on  
Might as well be on my own  
But I know I'll never be

When the speakers speak to me

When I turn the speakers on

Never wanna let it go

'Cause I know I love it so

When I turn the speakers on
