tell me why
wanted just to hold you
wanted you to feel me
tried so hard to reach you
cause i needed you to heal me
and i would never hurt you
i was lost but never blind
to beauty i found in your eyes
i just needed to know
oh i just needed to know why

in my darkest moment
of deep despair
i hear you calling
and it takes me there
to a place of sunlight
and emerald eyes
rising up in glory
beyond deceit and lies

chorus:

oh tell me why, do you do this to me
tell me why, do i feel this way
tell me why, do you do this to me
tell me why, do i feel this way
for your love, for your love
for your love, for your love

oh i tried to tell you
but i could not say
how my heart was broken
oh and swept away
though my love is scary
but it's strong you'll see
you're an angel of love
you're my destiny

(chorus)
