Maine Mere Janaa Female by Kaushi Dewakar
Tu aaja...
tu aaja... aa...
Mujhko meri saja... to... sunaaja...

Vo aahein... haan vo aansu...
Mere hisse ke mujhko rulaaja...
Sapne... tere saare... jinme me...
Rahti... thi... e... e...
Tukde banke mere... jakhm...
Sine me kar gaye... ho...

Maine mere jaana... tu... nahi jaana...
Ishq tera... dard tera... ho... o... o...

Akele... akele... rah gayi bin tere yun... akele...
Me tadpun... yaaa me tarsun...

Ya... chali aaun me paas tere...

Itni... tanhaayi hai... zindagi... kho... gayi...
Baatein karne saari... aa rahi... hun... tujhse hi... ho...

Maine mere jaana... abb... hai... jaana...
Ishq tera... dard tera... ho...

Tu jo gaya... aa... haaal ye mera rehta hai...
Dil ye meraaaa... khud se hi tanha... rahta hai...

And I feel too... lonely yea...
There's a better place from this emptiness...
And I'm tooo lonely yea...
There's a better please from this emptiness... yei yei
yei ya...
