Don't you know that when you touch me baby that it's

torture

Brush up against me I get chills all down my spine

When you talk to me it's painful

You don't know what you do to this heart of mine

Chorus:

Don't make this one dimensional

The way I feel is sexual

The way I feel is sexual

It can't just be intellectual

The way I feel is sexual

The way I feel is sexual

When you're next to me

I confess I watch your mouth move baby when you're

speaking

Study your body when you walk out of the room

You'll see how much you value my friendship

But I want you addicted to my perfume

Repeat Chorus

When you're next to me
