On your porch with coffee this morning
I'm a man on a mission today
So much Life that you've been missing
Honey you don't have live that way It's a

Chorus

Good day for sunsets baby
Driving to the beach with me getting lazy
You've been crying over that jerk long enough
Let go of that pain that haunts you

Take a shot with a man that wants you
It's a good day for sunsets baby,
A good day for sunsets and falling in love
You sure look sexy with your eyes all sleepy

Or is too early for going that far?
Come on baby, we're burning daylight
Lets get you back to being who you are
What have I got to do to get you in my car?

Chorus

Give in to the red sky shadows
I've got lots of nothing planned to do
You might enjoy the view

Chorus

It's a good day for sunsets baby
Riding around with me and getting crazy
You've been crying over that jerk long enough
Let go of that pain that haunts you

Take a shot with this man wants you
A good day for sunsets baby
A good day for sunsets and falling in love
