Mother, mother ocean, I have heard you call  
Wanted to sail upon your waters since I was three feet  
tall  
Youve seen it all, youve seen it all

Watched the men who rode you switch from sails to  
steam  
And in your belly you hold the treasures few have ever  
seen  
Most of em dream, most of em dream

Yes I am a pirate, two hundred years too late  
The cannons dont thunder, theres nothin to plunder  
Im an over-forty victim of fate  
Arriving too late, arriving too late

Ive done a bit of smugglin, Ive run my share of grass  
I made enough money to buy miami, but I pissed it  
away so fast  
Never meant to last, never meant to last

And I have been drunk now for over two weeks  
I passed out and I rallied and I sprung a few leaks  
But I got stop wishin, got to go fishin  
Down to rock bottom again  
Just a few friends, just a few friends

(instrumental)

I go for younger women, lived with several awhile  
Though I ran em away, theyd come back one day  
Still could manage to smile  
Just takes a while, just takes a while

Mother, mother ocean, after all the years Ive found  
My occupational hazard being my occupations just not  
around  
I feel like Ive drowned, gonna head uptown
