(Murray Head)

Say it ain't so, Joe please  
Say it ain't so  
That's not what I want to hear Joe and I've got a right to  
know.

Say it ain't so, Joe please  
Say it ain't so  
I'm sure there telling us lies Joe please tell us it ain't so.

They told us are hero has played his last trump card  
He doesn't know how to go on.  
Were clinging to his charm and he turned and smiled  
But the good ole days are gone.

The army and the empire may be falling apart  
And the money had gotten scarce.  
One mans word held the country together  
But the truth is getting fierce.

Say it ain't so, Joe please  
Say it ain't so  
We pend our hopes on you Joe and there ruining our  
show.

(Guitar Solo)

(Ooo Baby)  
Don't you think where going to get back  
(Ooo Baby)  
Don't you think where going to get tired  
Where going to get burned  
Where going to get learned  
Where going to get turned  
Where going to get burned  
Where going to get burned  
Ooo learn  
Turn  
Burned  
Ooo burned

Yea.....

Say it ain't so, Joe please  
Say it ain't so  
That's not what I want to hear Joe please tell us it ain't  
so  
Say it ain't so, Joe please  
Say it ain't so  
I'm sure there telling us lies Joe and I've got a right to  
know

They told us are hero has played his last trump card

Say it ain't so, Joe please  
Say it ain't so  
That's not what I want to hear Joe and I've got a right to  
know

Say it ain't so, Joe please  
Say it ain't so  
They keep on telling us lies Joe please tell us it ain't so

Say  
Say it ain't so  
Say it ain't so  
Cause I've got a right to know
