Package came in the mail this morning no note no
reason no rhyme and no warning frame was broken
Bout the picture still looks great

You and me on backbone ridge
My heart felt nothing but my sole sure did sorrow of a
broken love still lives
I don't care what they say

Caught myself lookn back
I let the reins on my mind run slack
Let a few good memorys slip threw
Long after love is gone
Some ties that bide hang on
There broken but there still strong enough
Tangle me in you

Did you smash that frame back when are love failed
Or did they break in the mail
Hey I know you couldnt throw it away
It was just a happy momment in time
But it was your and it was mine

Killn love oughta be a crime
But you did it anyways
Sometime when I look back
I let the reighns on my mind run slack
Let a few good memories slip thru

Long after love is gone
Some ties that bide hang on there broken but there still
strong enough
Tangle me in you
Don't want to go back in time
Back in time to drink that bitter wine
But it's good to hear your voice

Sometime when I look back I let the reigns on my mind
run slack let a few good memories slip thru long after
love is gone
The tide that bide hang on ya there broken but there
strong enuff to

Tangle me in you
Tangle me in you
