[Kaydo] Trying to put him six feet deep; underneath

O.G. is back on the streets So niggaz, grip the heat; it's

[Cell] While he soaking round the block, on the swing

[Kaydo] Fresh out the pe-en

[Kausion] Damn!

[Cell] We's out to be in this mothafucka for trying to loc  
up

[Kaydo] ?For hold up?

[Cell] Niggaz ain't gone choke up

We gotsta play another plot to put him on his back

[Gonzoe] And this full-prove nigga known missing on  
the attacks Where he at

[Kaydo] The last time I seen him he was toast

[Cell] Straight sittin' at the liquor store, coast

[Gonzoe] My temper's roasted

This nigga that snatch my hearing bone

Body slams sale would chase Cell all the way home

[Kaydo] So fuck that

[Cell] No, I got tha shit under control

[Kausion] The fool who put us on is the fool who get his  
head blown

[Chorus: Kausion]

O.G.'s trippin', lil' homies dippin'

Ey Kaydo what you got on my set little nigga

[Gonzoe] We watching every move he make

Anticipating which bone to break

Grab my properties, bake em up and shake em

[Cell] I'm trying to lay in my cull connecting every bolo

Watch wings, stompin they mouth Trying to break his  
collarbone and spleen

[Gonzoe] We bring fast kicking and stitches, to bitches  
who trippin

Reveal the .38's for pistol-whippin'

[Kaydo] Man, I told ya nigga Kaydo was that corner too

I ran around the block and got the foot long clip

It's filled to the tip

[Cell] Straight prepared, full equipped

[Gonzoe] But no buzzin cuz catching the ale ain't the
