kabhi uff kabhi haai kabhi haai kabhi bye kabhi aayen
kabhi jaayen
kabhi u kabhi y kabhi yes kabhi no kabhi haan kabhi na
rani ye bhi koi baat hai char din ki chaandani hai phir
kaali raat hai
dhal jaayegi ye jawaani sochane ki baat hain

(duniya mein aayi ho to love karlo - 2
thoda sa ji lo thoda thoda maralo) - 2
duniya mein aaye ho to love karlo - 2
thoda sa ji lo thoda thoda maralo

ho raani ke kaano mein jhumake ki jodi hain
pairon mein chaandi ki paayal nigodi hain
haan chaandi ki paayal ye chhapan karodi hain
roop ki daulat ye baraso mein jodi hain
nanha sa dil mera dhadake hain seene mein
pure kiye hain sola pichhale mahine mein
ankhiyaan guler meri maaroongi seene mein
phir tujhako aur maja aayega jine mein
dil mein mohabbat ka rang bharalo - 2
thoda sa ji lo thoda thoda maralo
duniya mein aaye ho to love karlo - 2
thoda sa ji lo thoda thoda maralo - 2

ho yu hi akadati hain ladki kadak hain tu
june ki garmi mein thandi sadak hain tu
haan jaan se pyari hai jaanejigar hain tu
meri mohabbat ka pehla asar hain tu
tu thoda mitha hain thoda sa kadava hain
hum dono alag sahi dil apana judwaa hain
tu meri chaahat ka pahila karishma hain
main sabase keh dunga tu mera balma hain
ji bhar ke ji lo raani aish karlo - 2
thoda sa ji lo thoda thoda maralo
duniya mein aaye ho to love karlo - 2
thoda sa ji lo thoda thoda maralo - 2
