mohabbat mein jab ek dil dhadakta hain toh uss dil  
ki dhadkanen kisi dusre dil ke darwaaje pe jaake  
dastak deti hain  
aur aahista aahista dusre dil ki soyi hui dhadkanen  
jaag uth ti hain aur phir kisi pe yakeen karne ko dil  
chahata hain

koi ajanabee mila usne yeh kahaa yun tumhen aur  
hamein  
ek din toh milna hi tha  
soyi thi yeh zindagi jaag si gayi raah mein chaah mein  
yeh phool khilna hi tha  
koi ajanabee mila

jaage jaage se hain mere tann mann jaagi jaagi si hain  
meri dhadkan aa~  
meethi meethi hain koi baat dil mein meethi meethi si  
hain koi uljhan  
main bhi hairaan hoon yeh huaan kya rang hi dil ka  
hain ab naya  
koi ajanabee mila usne yeh kahaa yun tumhen aur  
hamein  
ek din toh milna hi tha  
soyi thi yeh zindagi jaag si gayi raah mein chaah mein  
yeh phool khilna hi tha  
koi ajanabee mila

mehka mehka sa hain jaise har pal pighla pighla sa  
hain koi baadal  
sulghi sulghi si hain meri saansen dhalka dhalka sa  
hain mera aanchal  
main kahaan aa gayi kya pata main toh khwaabon ki  
duniya mein hoon  
koi ajanabee mila usne yeh kahaa yun tumhen aur  
hamein  
ek din toh milna hi tha  
soyi thi yeh zindagi jaag si gayi raah mein chaah mein  
yeh phool khilna hi tha  
koi ajanabee mila ajanabee mila ajanabee mila
