A WORLD I CAN'T LIVE IN

Writer Roger Miller

Once more I've said that I'll leave you

But once more I'm changing my mind

Yours is a world I can't live in

But without you I can't live in mine

You'd rather go places without me

I don't understand you at times

Yours is a world I can't live in

But without you I can't live in mine

Could be it's just your way of loving

And you don't mean to treat me unkind

Yours is a world I can't live in

But without you I can't live in mine
