I gotta a bulldog baby and he sure is fat
See a high-steppin' momma make him mighty mad
So you better quit your bitchin' put it to an end
Or you're gonna' have to tangle with my canine friend

Bulldog, bulldog, beware
You'd better step in line when you come around here
Now then don't you try bringing him a bone at night
Cause he don't do a lot of barking but he sure do bite

Bulldog, Bulldog,

I get a little bit tired of taking of all of your neck
Like to see you're sorry with my damn chick
I do believe you can do it if you really try
I could be just as happy with my bulldog kind

Bulldog, bulldog, beware
I'm leaving you a-wanting just to show I care
Now then don't you come a-cryin', baby don't you beg
Or my bulldog'll do a number on your leg

Bulldog, bulldog, beware
You'd better step in line when you come around here
Now then don't you try bringing him a bone at night
Cause he don't do a lot of barking but he sure do bite

Bulldog, Bulldog,
Bulldog, Bulldog
