Well you dad gum guv'ment you sorry so and so's  
You got your damn hands in every pocket of my clothes  
Well you dad gum dad gum dad gum guv'ment uh huh  
Oh don't you know oh don't you love 'em sometimes uh  
huh

Well you dad gum guv'ment you better pay attention  
You said enough there like a fool's convention  
Well you dad gum...

Well you soul sellin' no good son of a shoe fittin' fire  
starlers  
I ought to tear your no good preambulatory bone frame  
And nail it to your guv'ment walls all of you you bastard  
You dad gum guv'ment you sorry rakafratchits  
You got yourself an itch and you want me to scratch it  
Well you dad gum...  
[ guitar ]  
Well you soul sellin'...  
Well you dad gum...
