Somebody made every rock and tree
I know who it is and I'm gonna tell on Him
Somebody gave His all for me
I know who it is and I'm gonna tell on Him

Way up in the sky
His love can lift you high
Somebody made every rock and tree
I know who it is and I'm gonna tell on Him

Who told Noah look up to the sky
I know who it is and I'm gonna tell on Him
Who showed the dove which way to fly
I know who it is and I'm gonna tell on Him

Way up in the sky
His love can lift you high
Somebody made every rock and tree
I know who it is and I'm gonna tell on Him

Who said there'd be fields of fire
I know who it is and I'm gonna tell on Him
Who was the power stronger and higher
I know who it is and I'm gonna tell on Him

Way up in the sky
His love can lift you high
Somebody made every rock and tree
I know who it is and I'm gonna tell on Him

Now who saved Jonah from the big old whale
I know who it is and I'm gonna tell on Him
Who said to follow me and you can't fail
I know who it is and I'm gonna tell on Him

Way up in the sky
His love can lift you high
Somebody made every rock and tree
I know who it is and I'm gonna tell on Him

Now who freed Daniel from the lion's den

I know who it is and I'm gonna tell on Him
Who gave Moses the rules of men
I know who it is and I'm gonna tell on Him

Way up in the sky
His love can lift you high
Somebody made every rock and tree
I know who it is and I'm gonna tell on Him
